## HAIBIKE XDURO URBAN BICYCLE

2015 HAIBIKE URBAN

2016 HAIBIKE URBAN RC

Sold as a complete bicycle from June 2015 to February 2017:

**What is the Defect:** Extended factory testing of the fork has shown a potential weakness that could cause the fork to fail.

**What are The Hazards:** The fork could potentially fracture during use, causing a loss of control of the bicycle, and causing a risk of injury to the rider. There have been no reports of incidents or injury.

**What should Consumers do:** Consumers should stop using the bicycle immediately. They should contact their place of purchase to arrange to have replacement fork fitted to the bicycle, free of charge, when the parts become available.

**Contact Details:** If you require any further information on the matter please contact Groupe Sportif PTY. LTD.
